Food Fusion: Bringing Africa and Australia Together

7 September 2017 | 6:00 p.m. - 9:00 p.m.

Hogan Lovells

Level 13, St Georges Square

225 St Georges Terrace | Perth WA 6000

Take a break from the conference and join us for a very social evening of meeting Hogan Lovells team members from our Johannesburg and Australian offices and networking with our distinguished guests. It's a great opportunity to hear first-hand about upcoming opportunities in Africa, while enjoying a fusion of Australian and African cuisines.

This evening will also be an opportunity to hear remarks from the Hon. Stephen Smith (former Australian Minister for Foreign Affairs, Minister for Defense, and Minister for Trade) while meeting with a select number of Australia's Mission Heads from across the African continent.

Located just a few minutes from the conference at our Perth office, take in some great views and sample a fusion of flavours.
