

**Event Title:** Exploring Mining Opportunities in Zambia: Regulations, Investment, and Innovation

**Event Description:** The Australia Zambia Business Council (AZBC) is pleased to host a focused and informative event at the upcoming Africa Down Under Mining Conference in Perth this September. This event will provide a comprehensive overview of the mining landscape in Zambia, a country known for its rich mineral resources and burgeoning opportunities.

**AZBC Vision and Mission:** The AZBC is dedicated to fostering strong bilateral trade and investment ties between Australia and Zambia. Our mission is to facilitate collaboration, share knowledge, and provide a platform for businesses, investors, and stakeholders to engage in productive dialogue and tap into the potential of both nations' economies.

**Event Highlights:** We will explore the diverse facets of mining in Zambia. This event will be graced by His excellency, Dr Elias Munshya, Zambia High Commissioner to Australia and New Zealand and Mr Tobias Musonda, Director of Planning and Information, Ministry for Mines and Mineral Development Zambia. Their insights and expertise will provide invaluable perspectives on mining regulations, investment incentives, and innovation opportunities.

**Topics to be Covered:**

- **Accessibility of Genuine Tenement or Project Information:** Accessibility of accurate and transparent information on tenements and projects, crucial for making informed investment decisions.
- **Application Duties (Import and Export):** Gain insights into the import and export duties applicable to mining activities and explore strategies for seamless cross-border operations.
- **Tax Moratoriums:** Understand the tax incentives and moratoriums available for mining projects in Zambia, fostering an attractive investment environment.
- **Royalty and Duty Windows:** Explore the royalty and duty windows in Zambia's mining sector and their impact on project economics.
- **Expatriate Personnel Provisions:** Delve into the provisions and regulations for employing expatriate personnel in the Zambian mining industry.
- **Policy or Incentives for Innovation or New Technologies:** Discover the policy frameworks and incentives promoting innovation and the adoption of new technologies in mining operations.
- **Security of Assets:** Learn about measures and strategies to ensure the security of mining assets and investments in Zambia.

**Why Attend:** This event is a unique opportunity for conference attendees, investors, and the community to gain a deep understanding of the mining sector in Zambia. The insights will provide a comprehensive perspective on the regulatory landscape, investment incentives, and innovation pathways.
